

LOCATION MAP & DIRECTIONS FOR 99 MORNINGSIDE DRIVE  
Call Maggie on 01573 225028 if you get lost!

Take the **Lothianburn junction** from the Edinburgh bypass (A720) towards the town centre.

Drive for a couple of miles, til you pass a green hillside park on the left and then a petrol station on the right. You are then on the map at the bottom of the page.

The easiest way is to keep on the A702 until the bottom of Morningside Drive, watch for the chip shop on the left corner called Fernandos, with a oddbins on the right corner.

The flat is about 800 metres up this road, on the left hand side. Plenty free parking.
