

LOCATION MAP AND DIRECTIONS FOR PLUM BRAES BARN AND EDMONSTON

If you get lost call Maggie on 01573 225028!

- From Kelso, head towards Ednam on the B6461, passing the racecourse on your left hand side and the Thomson monument on the hill to your right.
- After 2 miles you will reach Ednam over an old stone bridge - straight away turn right past the bus shelter - it's a very bad bend, be careful! Continue up the hill past the farm cottages on the left, followed by Cliftonhill farm on the right.
- Plum Braes barn is signposted at the far end of the farm steading, on the right.
- For Edmonston, keep going past the farm and up the hill - it is on the top of the hill on the right.
